

# KEVIN BRODERICK'S / THE BOYS FROM DILDO / DON FREAKE'S (SINGLES)

The first single is from the playing of Kevin Broderick of Bay de Verde, Conception Bay. We found it transcribed under the title "Old Tune #2" in Kelly Russell's collection 'The Fiddle Music of Newfoundland & Labrador, Volume 2; All The Rest'. The next tune, *The Boys From Dildo* comes from a recording of accordion player Mary Whalen of Cape Broyle, on the Avalon Peninsula. Billy Sutton brought this tune to our attention after discovering it in the McEdward Leach Collection, an online source of field recordings that folklorist McEdward Leach conducted in Newfoundland and Cape Breton in 1950 and 1951. The last tune comes from the accordion playing of Don Freake of Boyd's Cove.
